

AtlasNet Inventory

go new places.™

Inventory at your fingertips.

With AtlasNet Inventory you can...

go new places.™

Decrease Your Claims Costs

Photo and electronic customer signature capabilities reduce residential, cargo and missing items claims costs. Decrease your variable cost with an improved claims history.

Improve Your Quality

Fewer claims mean improved quality. Improve your quality score and PVO rating, and increase your chances of receiving Customer Service or Superior Packing recognition.

Save Time with a Full Service App

Electronic inventory saves time at origin and destination-whether you scan or the customer scans. Add exceptions, high-value items and more right from your device.

Get Started!

AtlasNet Inventory works with iPad® and iPhone®. Contact your agent for more information on getting started.
