

Atlas MOST INTERESTING THINGS MOVED BY ATLAS MOVERS

The typical Atlas Van Operator drives between 50,000 and 75,000 miles each year, taking great care of customers' belongings — no matter what is being shipped. In 2010 Atlas completed more than 100,000 interstate and cross-border (US-Canada) moves. When we asked the Van Operators, "What is the most interesting thing you've ever moved", we found the responses, well... very interesting. Here are a few of the responses.
